

McLeadership's Virtual Newsletter

Welcome Back with Our

Purpose

We hope everyone had a great summer! We are aware of the new changes that are taking place with schools. We are here to simply help and assist with making this new transition of learning as smooth as possible.

This year will be different and we are prepared to adapt as schools make changes. We are offering an environment where students can virtually attend school. Ms. Kelli will be facilitating student learning. Ms. Kelli will be making sure students are online during the

appropriate times and actively engaged with learning. She will assist students with assignments and communicate with parent/guardian about his/her child daily.

Updates

Check out our new website

www.mcleadershipatl.com.

You can donate via paypal, read more about our scholarship recipients and checkout the resources we have online and more!

Stay connected with us on Facebook.

Now offering middle grades and high school mathematics tutorial!

It's time to eat!

We strongly recommend a packed lunch. We will have breakfast and snacks available. These items will be individually wrapped and will not require an adult to handle. Students are encouraged to bring their own lunch. For more information, contact Ms. Kelli.

What measures are we taking?

Our Preventative Actions:

- Wash hands often with soap and water
- Cover cough and sneezes
- Clean and disinfect frequently touched areas/surfaces
- Implementation of screening procedures upon arrival
- Modified drop off and pick up protocol
- Paperless sign in/out logs
- Wearing mask & practicing 3 feet apart
- Students will have proper spacing for school work areas

Staying Active

We are very excited about our new outdoor play area! This will allow students the opportunity to have outdoor time. We understand that our children need fresh air and time to release energy. We will also incorporate appropriate team building activities to give our students brain breaks. We have put a 8ft privacy fence and security cameras around our property as an added layer of security.
